May 11, 2010 is an upgraded version of James Allen's classic book As a Man Thinketh. This is a free downloadable e-book posted here for anyone wanting to read an interpretation of what is one of the most important literacy jobs ever created. Originally published in 1902, How a Thinketh Man strongly influenced contemporary philosophy. It is now considered a public domain for most countries around the world. Some key quotes in this book Men are not attracted to what they want, but what they are. Every action and feeling is preceded by thought. Correct thinking begins with the words we say to ourselves. Circumstances do not make a man, he reveals it to himself. You can't travel inside and stand still without. A man is literally what he thinks his character is the full sum of all his thoughts. Men tend to improve their conditions but do not want to improve, so they are still connected. Appendix: DOWNLOAD EBOOK HERE You control your thoughts and your destiny. Think big. Lead. Believe.
